

ASHISH KUMAR CHOUBE

INTERVIEW REPORT

17 AUG 2018

Ashish Kumar is bright and intelligent candidate. He has practical approach to situations of daily occurrence. However, in a complex situation he is unable to apply his intelligence practically. His grasp and general awareness is reasonable. He can perceive most of the essentials involved in the problem. Put across some ideas that have depth and touch of logic. He can allot priorities in simple situations. However, need to be more analytical. He is adequately expressive and is able to put across his views with good clarity.

He is friendly and maintains working relationship with other people. He believes in teamwork and is cooperative with others. He shoulders responsibilities willingly and possesses good values.

He takes reasonable initiative, which allows him to initiate simple actions. He needs to be proactive in undertaking outdoor activities. He is confident in familiar situations and can take routine workable decisions. He influences group by resorting to convincing arguments. He remains joyous and cheerful under prevailing situation but sometimes panic in unfamiliar situation.

He believes in hard work and has good determination. He has good physical and mental stamina and develops courage to take calculated risk as the situation becomes familiar.

Ashish has some trainability and possesses potential to perform well, but needs to work on his weaknesses.
